

## REMARKS

### *Status of the Application:*

Claims 1-37 are the claims of record of the application. Claims 4, 17, 27 and 34 are allowed. All other claims have been finally rejected.

Applicants have amended the application to cancel all rejected claims without prejudice. The only claims remaining are thus the allowed claims.

Applicants recognize that the Examiner has discretion in considering a response after final rejection, and believe that the present response is sufficiently focused to be appropriate for entry. Because all rejected claims have been canceled by amendment, these amendments do not raise new issues or need additional search. Entry is respectfully requested.

The application is now in condition for allowance, and action to that end is respectfully requested.

If the Examiner has any questions or comments that would advance the prosecution and allowance of this application, an email message to the undersigned at dov@inventek.com, or a telephone call to the undersigned at +1-510-547-3378 is requested.

Respectfully Submitted,
